Special Features

Good things about Monee Kids Food Tray

The design that kids love

Your kid can have fun eating food in the pea-shape food tray. The green color naturally reduces the repulsion of eating vegetables.

Leak-proof Round Design

It is designed for your kid to eat alone. It makes food spooned easily and prevent it from leaking.

Slanted Bottom Design

The slanted bottom sides of rice and soup parts make food gather to one side, so your kid can finish the last piece of food easily.

Mischief-proof Adhesion Tray

The snack tray and the food tray can be assembled and disassembled easily.

We will help you with busy childcare!

Reliable and Safe Materials

We used only safe materials for Kids Food Tray for your children's health. We used 100% safe platinum silicone because this product is used by children.

Directions

MONEE CAP has the following benefits!

1 Easy and clean drinking without the need of a straw.

Just lightly take a drink on the rim of the MONEE CAP.

2 Easy to carry around.

MONEE CAP does not need an extra container or cup, because it is inserted directly into the bottle.

3 Easy washing

Its separable pad makes it easy to wash without a brush.

4 Safe material for children's health.

Made in Korea
Made from BPA free and safe materials

MONEE CAP is made from materials harmless to the human body. It has been thoroughly tested and certified by REACH (Registration, Evaluation, Authorization and Restriction of Chemicals) of European Union, CPSIA (Consumer Products Safety Improvement Act) and FDA (Food and Drug Administration) of the United States to be safe.

5 Adaptable to diverse plastic bottles.

Adaptable to various plastic bottles!

MONEE CAP can be used with three kinds of bottle-neck sizes most commonly used in the world, and we plan to develop various adaptors for other sizes sequentially.

How to use and assemble

1. Insert the hole-cap into the groove of the silicone pad.
2. Insert the hole-cap with the silicone pad into the middle of main body.
3. Fit the assembled one into the plastic bottle's bottle-neck.
4. Combine the adapter fitted to the size with the MONEE CAP, when the size of the bottle-neck doesn't fit to the Cap.
5. Close the lid of the MONEE CAP, when you keep the leftover drink.
6. Please detach and close the lid of the MONEE CAP after drinking.

How to disassemble

Lightly push the pointed part of the hall cap with your finger when you separate it from the body.
